

NC Cooperative Extension Service - Speakers List

North Carolina Cooperative Extension helps to strengthen our North Carolina families and communities. Our mission and our work are dedicated to improving the quality of people's lives. We rely on research-based information to develop educational programs based on the issues and the needs of our communities and citizens. North Carolina Cooperative Extension is focusing its efforts on five major initiatives implemented by the county field faculty and supported by university-based specialists. These initiatives are:

- * Enhancing Agricultural, Forest, and Food Systems
- * Developing Responsible Youth
- * Strengthening and Sustaining Families
- * Conserving and Improving the Environment and Natural Resources
- * Building Quality Communities

Below is the contact list for speakers for the topics shown above. Teachers should contact the County Extension Director shown on this list for a speaker, and the County Extension Director will work with his faculty members to provide a speaker, if one is available.
